NATCHITOCHEES PARISH 9-1-1 LAUNCHES WEBSITE

Dennie Boyt, Chair of the Natchitoches Parish Communications District Board of Commissioners, announced today the launch of the Natchitoches Parish 9-1-1 website. Boyt said that work began on the site in December 2010 and the launch of the website marks the first web presence for Natchitoches Parish 9-1-1 since its formation in 1988. 9-1-1 Director Willis Carter said that the site contains some basic but important information relating to the Natchitoches Parish 9-1-1 system, as well as other useful information and links.

Carter said ...“We are excited about our website. We believe that it will play an important role in promoting public awareness of 9-1-1 in Natchitoches Parish, and providing valuable public safety education to our citizens. It is the latest in our effort to meet our goal of serving as Natchitoches Parish’s Gateway to Public Safety Services.”
